

Affiliate Partnership Investment Program

Welcome to Nonprofit Match, Inc.'s **Affiliate Partnership Program**. Our qualified team of consultants and investors believe in community empowerment. Comprised of nonprofit leaders, entrepreneurs and trainers from all corners of the world, our online and direct services consulting allow you to grow.

Nonprofitmatch1.com, a high-growth online donor and funding resource technology, presents a premier opportunity to introduce and maximize your company to over 7 million members+. Combined with hosting the largest donor database in the US of 20 million donors, national partners and investors, we are capable of offering the best resources to your business.

Investment Scale/Deliverables:

Nonprofitmatch1.com has over 7 million members and over 20 million donors in our premier database. Our partners, members and investors believe that our value lies in our ability to advertise their services, business models and trainings to a broad base both domestically and internationally. We offer online investment opportunities ranging from **\$500 to \$2,500** depending on expected online member and customer response. Benefits to you include social media enhancements, SEO (search engine optimization), virtual community presence, webinar and training opportunities. Nonprofitmatch1.com is a FREE membership-based, grassroots technology which provides FREE donor searches. Premier advertisement and placement options provide our partners with web presence that is incomparable in the online, donor-based market. Check out what our members, investors and partners are saying about our technology at www.nonprofitmatch1.com. Join our FREE membership and get the donors/funding resources you need! *Members and clients are eligible for quarterly discounts on e-services, webinars, website development and more. Ask us how we stack up to other online donor-based sites.

Our Growth and Consulting Overview:

In November 2013, JBEC Group merged with Nonprofit Match, Inc. bringing over 30 years of combined expertise in servicing and developing nonprofits and new business enterprises. With team members now in California, Tennessee, Colorado, North Carolina, Georgia, Florida and London, UK, we provide market impact on economic development overall while expounding on our nonprofit development success record. Our expertise in organizational development, national community redevelopment initiatives, and new technologies for fund raising, social media development and strategic planning bring our clients bigger and better return. Nonprofit Match, Inc. is now capable of providing both nonprofit technology needs and direct consulting, maximizing growth and funding potential for your business. Ask our Constant Contact, Cisco and business certified team about our training packages and Dashboards which monitor growth in real time.

Clients invest **\$1,500 up to \$150,000** for contract partnerships, social venture opportunities and networking as well as crowd funding program creation and implementation. Moreover, we offer basic consulting services such as grant research/writing, event fund raising, business plan writing, board development, product branding and strategic matrix modeling. (Engagement fees are all market competitive and are assessed based on client need and intended goal.) Client engagement for basic services must be remitted upon contract/invoice signing.
